## A Local Market

**Learning Objective:** By the end of the lesson, I will be able to describe stores that have ecofriendly products using “there is” and “there are.”

Al final de la lección, podré describir tiendas que tengan productos amigables con el medio ambiente usando “there is” y “there are.”

## Pre-task

### Activity 1

Let's describe what we can see at grandma's favorite market.

Vamos a describir lo que podemos ver en el mercado favorito de mi abuela.

What do you see in the photo?

Now, read the text about grandma's favorite market and answer the questions.

Ahora, lee el texto sobre el mercado favorito de mi abuela y responde a las preguntas.

## Grandma's Favorite Market

My grandma loves the local market. She says there are many products to buy. She is a vegetarian, and she likes to buy local products.

She really likes the shops at the market. She says there is a shop that sells organic coffee. There are some shops that sell handicrafts, too. She loves handicrafts! One of her favorite handicrafts to buy is recycled notebooks.

There is another shop where she buys her plants for her garden. She can buy mint, oregano, and pepper plants. There are some planted at her house now. She uses them to cook.

The only bad thing is that there aren't any shops that sell cat toys at the market. Grandma has 5 cats. Their names are Valentino, Willow, Dio, Noodle, and Jojo.

Based on the text, mark the statements as true (T) or false (F).

De acuerdo con el texto, decide si las oraciones son verdaderas (T) o falsas (F).
